

ANZA KOREA

FROM THE PRESIDENT

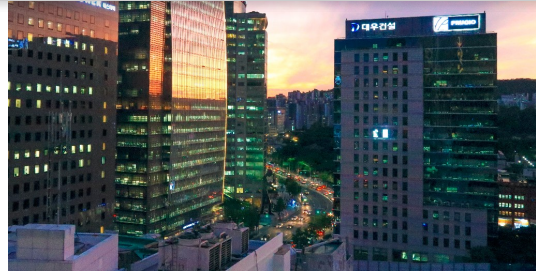

Dear friends of ANZA,

I hope that you are having a beautiful start to Autumn?
Heading straight into the ANZA news, so sorry for the delay in getting a Newsletter together but we have had a few new additions to the committee since the start of my tenure and now we are now very pleased to say 'We are setting the wheels in motion' (reminds me of an old Motown song)....

We are proud that our first two ANZA events went off successfully. Thanks to all involved with the Bledisloe Cup and also the Autumn BBQ. The BBQ at the Four Seasons last week was a sell-out! We did follow the same thread as last year knowing that it was going to be popular and once again it was a complete hit!

OUR RECENT EVENTS

[Subscribe](#)
[Past Issues](#)

Whilst on the subject of events, we see that it really does pay to get the events dates posted early giving everyone plenty of time to diarize and therefore get organized.

- Tuesday, October 17th Melbourne Cup Hat Party for the ladies
- Tuesday, November 7th The Melbourne Cup Lunch

In the first two weeks of December, we will host our ANZA Family Christmas Sunday lunch.

OUR WORK WITH CHARITIES

General news regarding our Charities and work behind the scenes.
Few of you would know that unfortunately for many of us, Restaurant 123

short, two of the restaurants' industrial sized fridges were so graciously accepted by our dear Sister Geri in Mokpo for her new Bakery and were transported F.O.C to her by the very generous Asian Tigers. Sister Geri has recently emailed thanking all of us as a community for all we do.

ANZA (My phone) was recently messaged quite late one night. A terribly distressed lady was in need of accommodation in the Pyeongtaek area as she had recently lost her job and had no money and needed to come to our Shelter! I managed to convey to this lady from Bangladesh that ANZA is just ANZA but that we would do the best we could. So having made a call to our gorgeous Charity Coordinator Udion, who the following morning called around and found a Ladies Shelter in that area! She not only drove down and picked up Fahima, she also took her for dinner and has since been back down and given her clothes and emotional support! Udion, you are a darling thank you!

So to close, we, the new ANZA team, will continue as all our ANZA predecessors have done and support all the charities that are now part of our ANZA family and some new ones.

Thanks to everyone, Committee, Sponsors, Members and general ANZA Community for all ongoing donations and attendance!

Sincerely,

Jemima Batt-Andersson
President, ANZA Korea
