Message from the President

Greeting and hello from myself and the ANZA Korea team.

I want to first offer a happy Chuseok holiday to you and your family, and hope that this precious time of the year finds you all well, even in these Covid times. With the Covid outbreak somewhat casting a shadow on the core events we often facilitate, our team are preparing and waiting for when we can serve our community, and are planning events for both 2021 and also 2022.

We endeavour to resume our ANZA Korea activities as soon as we are able, and are hoping to bring back our Monthly Coffee Morning very soon. We are also looking to organise our first Pub Night when we local restriction are eased -watch this space and follow our social media for an announcement very soon.

With the season changing and Koreas vaccination numbers increasing, we also would love to incorporate our regular Autumn BBQ event permitting we can safely host it, so please keep an eye out for it too. ANZA Korea is committed to offering a range of events and we very much welcome feedback and suggestions and understand that we are nothing without the community that we serve. Please, feel free to send me or any of the team a message.

We hope to see you all soon.

Meet Dain Leathem - ANZA President

I am originally from New Zealand and graduated from Otago university. After two years working in both Dunedin and Australia, I landed in South Korea in 2003 and worked in Ulsan for 3 years. After a 3-year diversion in Paju, I have been working at universities in Seoul since 2009. Having been lecturing at Sungkyungwan University since 2016, I have also taken on a range of other roles in Korea, including working in broadcasting, the gaming industry and in food and beverage too. Whilst in Korea, I earned my Masters from Sejong University and also did a PhD in Tourism Management at Kyung Hee University. I have been involved with the Korean Touch Association for six years, and I currently conducting academic research in festival tourism and leisure. I am elated to be working with ANZA and taking on the role of President as the committee and community look to grow once we are through this covid-19 period.
