Committee member spotlight

Meet Anthony Wood - ANZA Treasurer

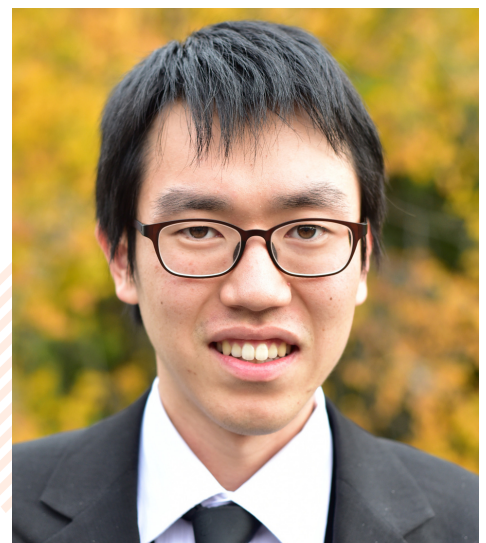

I am originally from New Zealand and graduated from Auckland University with a degree in Finance and Computer Science. I started my career as a Consultant in Deloitte New Zealand. After three years in Consulting in New Zealand, I relocated to Shanghai where I spent three years consulting for large multinationals across various industries including retail, food and beverage and electric vehicle manufacturing.

I relocated to Korea from Singapore where I spent 2 years in Treasury and Product Operations for UK-based Fintech Revolut.

The opportunity to work with ANZA and its members to give back to the community is super exciting and I'm excited to see where this journey takes us!

Meet Hyun Woo Jang - ANZA Events Coordinator

Hello, I am Hyun. I was born in Korea and have lived in New Zealand for more than ten years. I graduated high school in Auckland and received a Diploma of Hospitality Management from Queenstown Resort College. I then moved into the tourism industry in New Zealand as a hotel manager. I worked in Lake Tekapo, Rotorua, and Franz Josef for over five years. I moved back to Korea last year, and currently, I am currently studying a Master of Business Management from the Bolton University in the UK through distance learning. I am very excited to work with ANZA and look forward to communicating with members and the community.
