ANZA Korea continues to work hard behind the scenes supporting our local charities. The last 6 months and adjusting to our new social norm has certainly been challenging for businesses, charities and our community. ANZA Korea remains committed to working with our charities as best we can.

We are 100% a non-profit association so we welcome any donations from our community. If you would like to donate, please click on the link below. No amount is too small to help us achieve our mission.

ANZA Committee - Handover of the Marketing and Communications Lead Role

As we enter the Year of the Tiger, we would like to thank Corinne Rivoallan for her contribution to the ANZA Korea team as Marketing and Communications Lead.

Corinne has returned to New Zealand to embark on a fresh adventure back home. Before she flew back to New Zealand, Corinne caught up with Kate Kalinova for a FourB coffee to discuss the role handover and share tips on ANZA's social media pipeline.

During her time on the ANZA committee, Corinne looked after all social media and marketing channels. She was also especially passionate about supporting CSR and fundraising efforts, such as the Gapyeong Education Scholarships and the Breast Cancer Awareness Pink Party.

While we will definitely miss her energy on the team we wish her all the best in this exciting new part of her life and look forward to catching up in the future once travel returns to normal!
