September, 2023

Autumn is finally upon us, with the temperatures getting cooler and the days getting shorter. As we head into the last few months of 2023 we still have many things to look forward to, with a variety of events planned. The month of October is Breast Cancer Awareness Month, a cause that ANZA Korea has long supported.

October Coffee Morning in Support of Breast Cancer Awareness Month [Past Event]

October is recognised internationally as Breast Cancer Awareness Month. The symbol of this health campaign is the pink ribbon, which many wear to show support and bring more attention to the impact that breast cancer can have on those it effects.

On Saturday, October 15th ANZA Korea held our monthly coffee morning, this time with a pink theme! We had a great turn out of people who came to socialise as well as support a great cause, thank you to everyone who joined us.

[Event Recap] Makgeolli Tasting and Rice Cake Workshop

We had a great day out at the Chuncheon Makgeolli festival with our event partners The Sool Company on September 23rd. Thank you to everyone who came out to enjoy the day with us!

We started with a stop to make traditional rice cakes known as songpyeon, which are most often eaten during the Chuseok holiday (some rice cake making attempts were more successful than others!) All that cooking had us hungry so we filled up on some delicious hotpot at a famous local restaurant that grows all their vegetables on site.

Then we were set free on the Chuncheon Makgeolli Festival! There was lots of tastings to be had from independent breweries all over Korea that focus on making high quality drinks with the best local ingredients. The selection was not just limited to makgeolli though, there were also several local wine makers, as well as Gamja Island brewery that makes their signature beer out of potatoes (unfortunately they ran out of the tomato basil beer before we could sample it!)

Once you had sampled each brewery you could collect some free goodies, as well as enter several prize give aways that some members of our group won!

For those keen to delve deeper into exploring traditional Korean alcohol, make sure to follow The Sool Company on social media and check their website for updates on makgeolli brewing classes, tours, and other activities: <https://thesoolcompany.com/>
