### [Past Event] December Coffee Morning Lowkey Coffee

The ANZA Korea monthly coffee morning in December was hosted at Lowkey coffee in Seongsu. There was a lot of excitement about the upcoming holidays and it was great to have everyone come out and share their Christmas and New Years travel plans!

ANZA Korea is committed to building connections throughout Korea and strengthening community. We have lots more meet ups and events planned for 2024 and look forward to seeing many new and old faces getting together and sharing good experiences.

Keep an eye on our socials to stay up to date with all the upcoming news and events.

### [Past Event Recap] Kiwi Alumni End of the Year Party

The Kiwi Chamber (NZ Chamber of Commerce in Korea) Year End Grand Hui was an overwhelming success with over 100 guests at the New Zealand Embassy residence.

The event was attended by several ANZA Korea members including our President Sunny Myung. Big thanks to NZ Ambassador Bennet and the embassy for all their support for making the so event special.

Also Announced was the new Kiwi Chamber Board for the next year and as well as presenting scholarships for two girls from the Songjukwon Girls Residence to travel to NZ to study English.

Delicious food, fine NZ wine, craft beer, great raffle prizes from Kiwi Chamber sponsors, and most of all some great fun had by all!

### [Past Event] New Colombo Plan Scholarship Program Anniversary

Also in December Hyung Ahn and Andreas Reumann of the ANZA Korea team attended the New Colombo Plan (NCP) Scholarship program's 10th Anniversary reception and visited the Australia Centre.

ANZA Korea parton H.E Catherine Raper, the Australian Ambassador to the Republic of Korea who recently wrapped up her term in Seoul, delivered a celebratory speech for the NCP's 10th anniversary.

NCP students currently residing in Korea attended the reception and asked a diverse range of questions, from the current Australia-Korea relationship, possible career pathways for young leaders, Australia's future positioning in the region, economic synergies, to life as a diplomat.

The New Colombo Plan is a key initiative of the Australian Government that aims to broaden knowledge of the Indo-Pacific in Australia by supporting Australian undergraduates to study and undertake internships in the region. The scholarship program encourages a two-way flow of students between Australia and the rest of the region, complementing the thousands of students from the Indo-Pacific who come to study in Australia each year.

The ANZA Korea team was pleased to attend the event and has been witnessing the transformational qualities of the NCP in many conversations during morning tea right after the official event. The Plan plays a key role in strengthening Australia's relationships both in Korea and beyond.
